Output 1.2: Building relationships with your teammates remotely (resub)

Positive aspects of the submission

Your resubmission shows a deeper reflection on building relationships to collaborate more effectively with your team. By sharing experiences of bonding while learning more about your teammates, you've demonstrated how building relationships adds to your teams productivity. The cultural differences you pointed out, speaks to your awareness on the issue. Great job on making the effort to embrace cultural and ethnic diversity in your team, and participate in activities that are not necessarily work related.

Aspects of the submission that could be improved

You have addressed all the aspects of the output.

Overall feedback

Great work on this resubmission. Remember that building relationships and forming bonds is a constructive way to increase productivity in the workplace. Keep up the good work!
