Output 2.1: Navigating and Understanding your New Code Base

Positive aspects of the submission

The submission is a great attempt at showing how well you understand your team's codebase. I'm impressed by the recommendation you made as well by creating the gist file for your team.

Aspects of the submission that could be improved

Nothing in particular.

Overall feedback

You seem to have a good understanding of clean code conventions.

Your submission exceeds expectations as it shows you have taken the initiative to bring your recommendations to the team as well.
